How to use it Four study sessions a week, of about 60 to 90 minutes, fitted around your shifts. Tick each line when it is done. The 15-minute recap re-tests earlier weeks, so topics are not forgotten by exam day.	Short on time With 8 weeks, this plan covers the Gold and Silver topics, which have carried the most marks. Bronze topics, which have come up less often in past sittings, are listed at the end. They can still be tested, so cover them if you have time.	Registration Dates are marked in red in the week they fall. Your force may close registration earlier, so check with your force examinations officer. Registration opens Tue 3 Aug 2027, before Week 1.
